

Pooja Gawande

Web Developer | +91: 9561549902 | gawandepooja765@gmail.com

Objective:

To work in a challenging environment where I could position myself as an effective and efficient performer. I am a self-motivated team player looking forward to growth opportunities in Web Development where I can apply my advanced knowledge of web design to meet client needs and exceed their expectations. I have good programming skills. I am a focused and reliable entry level web developer with an outstanding work ethic computer language knowledge based.

Work Experience:

Job Title : Web Developer

I have a total of 1 year of experience as a Freelance Web Developer with html, css, javascript, html5, css3, photoshop, sql skill set. During this year I have created websites which are mentioned below.

Created a website from scratch and maintained that websites.

My assignments involved building the responsive UI for multiple screen resolution, Conversion of design into div base layouts qualifying W3C Standards, UI testing for cross-browser/cross-device compatibility.

I have experience implementing a complete UI in the form of a mobile, Ipad and desktop with less redundant and clean CSS code for better performance.
